

The advanced medical care you need, right here at home.

Since opening in February, 2002 with 361 licensed beds, Merit Health River Region has been providing advanced medical care for patients and families in the community we call home.

Our dedicated and experienced medical staff offers a wide range of medical specialties from 24-hour emergency medicine to advanced surgical services, including robotically-assisted surgery and open heart surgery, and much more.

Merit Health River Region has also, for the fourth time, earned the distinction of being one of the nation's Top Performers on Key Quality Measures® by The Joint Commission, the leading accreditor of U.S. health care organizations.

The quality care you need is here at Merit Health River Region. For more information or a physician referral, call **601-883-5000** or visit **MyMeritHealth.com**.
